€2,700.00

Product no.: IN-932409.R1

Original painting 2021, signed. Cyanotype, acrylic, ink on canvas, stretched on stretcher frame. Stretcher frame size 120 x 100 cm (h/w). Framed in a silver-coloured solid wood shadow gap frame. Size 125 x 105 cm (h/w).

Cyanotype:
The special printing technique cyanotype makes it possible to "draw" directly with plant material. A light-sensitive solution containing iron is applied to the image carrier and dried in the dark. The artist then covers the image carrier with materials collected from nature. After exposure to sunlight, the materials are removed, and the image carrier is washed out. Afterwards, the chemical process produces the typical blue colour in the areas that were exposed. The unexposed areas remain white or grey. Finally, the artist reworks the pictures with acrylic sprayed or painted paint and accentuates light and shadow effects in this way.
