

## Robert Hettich: Picture "Gathering I" (2014), on stretcher frame

**€450.00**

**Product no.: IN-820951.KR**

The works of Robert Hettich, born in 1964, oscillate skilfully between abstraction and concretisation, between colour impression and figurative representation. The motifs remain recognisable, but the main effect is a mood, an emotion that communicates itself to the viewer precisely through the groups of people dissolved in colour surface and composition.

"Gathering I" from 2014 carries out the theme in a variant brought onto artist's canvas using the Giclée technique and corresponding with each other, but also impressive individually.

Giclée print on canvas, stretched on a stretcher frame. Limited to 199 copies, numbered and signed by the artist. Size 90 x 60 cm (h/w).
