

Roman Johann Strobl: Garden ornament "The Cheerfulness " with shell limestone base

€548.00

Product no.: IN-208874

Just a gentle breeze sets the graceful ballet pose into soft vibrations. A youthfully powerful artistic expression within a framework of light, floating elegance.

Polymer cast, painted by hand, on an elastic metal rod, firmly anchored in heavy shell limestone base. Limited edition, only 980 copies. The height of the figure is approx. 38 cm, total height approx. 105 cm.
