

## Bruno Bruni: Set of 6 cups and saucers "Amore per i fiori"

**€440.00**

**Product no.: IN-416145.9**

Exclusively for ars mundi, the porcelain masters of one of the most traditional porcelain manufactories in Europe transferred Bruno Bruni's motifs onto the "white gold". In 10 colours and with 24-carat high-fire polished gold, the porcelain painters of the Königlich privilegierte Porzellanfabrik Tettau, founded in 1794, transform the artist's specifications with great attention to detail. Each piece of this outstanding artist's coffee set is created by hand and fired up to 4 times at up to 1,200° Celcius. As a sign of this handicraft, every single item is numbered by hand. Especially interesting for collectors: the first 1,000 complete services receive unified numbering with the edition numbers 0001 to 1000.

Sizes: cup: capacity 0.21 l, height 9 cm. Saucer: diameter 16 cm.
