

SIME: Sculpture "Elegance (Eagle)", bronze

€6,800.00

Product no.: IN-791115

SIMES' eagle sculpture is characterised in particular by its clear form and reduced mode of representation. The artist concentrates entirely on the essential features of his motif and abstracts its characteristic traits. At the same time, the naturalness of the proportions is always preserved, and the sculpture radiates dynamism and aesthetics.

Fine bronze sculpture, cast using the Lost-Wax-Process, patinated and polished by hand. Limited edition of 9 copies, numbered, signed and hallmarked with the foundry stamp. Size 25 x 56 x 38 cm (w/h/d). Weight 15 kg.
