€560.00

Product no.: IN-895803

The painting "Lady in the Garden" is an early work by Monet. He painted it in Sainte-Adresse, where the artist spent the summer. In the differentiated rendering of the light, for example, in the meadow area, we can already recognise the first traces of his later Impressionist style.

Original: 1867, oil on canvas, State Hermitage, St. Petersburg.

High-quality Fine Art Giclée reproduction on artist's canvas with linen structure, on a wooden stretcher frame. Framed in a white-gold solid wood frame. Limited edition of 980 copies with a numbered certificate on the back. Size 78 x 95 cm (h/w).
