

## Petra Waszak: "Dragon Necklace"

**€188.00**

**Product no.: IN-735435**

The dragon is by no means threatening in China. In fact, it is an imperial emblem that promises prosperity and, last but not least: Happiness. The symbol on Petra Waszak's necklace means exactly the same. She has chosen the dragon as the motif for her piece of jewellery in Chinese style, using - in true Chinese fashion - jasper and fired jade. Adjustable length brass chain from 42 to 49 cm with 24-carat real gold plating. Pendant 5 x 8.5 cm.
