One could say that for Lorient, humour was not a sharp dagger for grim confrontations but a fine scalpel that ultimately works towards healing the world with every cut. And this is precisely what his cherubs perfectly put into the picture here.

Fine bronze sculpture, cast using the traditional Lost-Wax-Process, patinated and polished by hand. Limited edition of 980 copies, individually numbered and with artist's signature and foundry hallmark. Size 31 x 14 x 9 cm (w/h/d). Weight approx. 2.5 kg.
