Product no.: IN-916524

The Professor of Business Communication, born in 1960, uses imagination and humour to present words and quotations as innovative typographic object images. Birkelbach uses three-dimensional figurative design elements to reinforce the text message, creating an expressive link between poster art and miniature sculpture.

Each exhibit is handcrafted and hand-signed. The object pictures are framed in solid wood with high-quality, non-reflective glazing. Limited edition 249 copies, with certificate.

The typographic object is an original design by the artist from 2020. A perfect gift for all cyclists who even want to think about this fascinating sport in their study or office. Size 35 x 35 x 7.5 cm (h/w/d).
