Product no.: IN-886116

Franz Marc contributed significantly to the preparations for the first exhibition of the Blaue Reiter and to the editorial groundwork for the "The Blue Rider Almanac", which was published soon afterwards. But in general, the year 1911 was artistically productive, which is unmistakably clear when looking at his colourful haystacks glistening in the winter sunlight reflected by the snow.

Original: 1911, oil on canvas, 75 x 100 cm, privately owned.

Reproduction using the Fine Art Giclée process directly on artist's canvas and stretched on a stretcher frame. Limited edition of 499 copies. Framed in a natural solid wood frame. Size 54 x 66 cm (h/w).
