

Thomas Jastram: Sculpture "Sophia" (2022), bronze version

€3,400.00

Product no.: IN-939176

Thomas Jastram considers himself a classical sculptor. His sculptural work includes life-size works - among them many for public spaces such as an imposing Neptune Fountain in Warnemünde, which was erected in 2022 - portrait busts and, last but not least small sculptures such as his "Sophia".

The title of his owl sculpture refers to the wisdom attributed to the night bird as the companion of Athena/Minerva since antiquity. Therefore, the owl is a symbol of philosophy. Jastram presents it with its wings spread wide - ready for take-off.
