

Claude Monet: Picture "Spring" (1880/82), framed

€430.00

Product no.: IN-768684

1882. Nature was Monet's inspiration. The master of Impressionism allowed nature to have its effect on him in the open air. He captures nature with vibrating brushstrokes. Afterwards, he continued working on it in the studio and returned to the open air - until his picture was formed by the juxtaposition of light colours.

Original: Musée des Beaux-Arts, Lyon.

Brilliantly coloured Giclée on artist's canvas and stretcher frame, with real wood gallery frame. Limited, 499 copies with certificate. Size 59 x 75 cm (h/w).
