The motif "A Gold Book" by Andy Warhol (1928-1987) is based on the work from the 1957 illustrated book of the same name, which contains partly hand-coloured offset lithographs. It is one of the artist's early works and illustrates his illustrative working method in the late 1950s. Accordingly, "A Gold Book" can be seen as a reference to his work as a graphic designer and illustrator for fashion and lifestyle magazines.
