

Anja Struck: Picture "Light and Carefree" (2018), on stretcher frame

€490.00

Product no.: IN-925101.KR

The Lüneburg artist Anja Struck is a master of atmospheric staging. This applies, for example, to her works in which she combines people and landscape. Typical of these works is the dissolution of boundaries, the obscuring of motifs and the emergence of blurriness. Struck's protagonists are completely absorbed in their surroundings. They almost blur into them and thus become a part of nature itself.

Edition transferred directly onto artist's canvas using the Fine Art Giclée process and stretched onto a stretcher frame. Limited edition of 199 copies, numbered and signed by hand. Size 55 x 77 cm (h/w). ars mundi Exclusive Edition.
