

Petra Waszak: Pearl necklace "Sensu"

€198.00

Product no.: IN-941657

Foldable fans like the Sensu have a long tradition in Japanese culture. Artfully executed copies inspire us in the Japanese tea ceremony, among other things.

This magnificent necklace made of luminous red agate beads is adorned with an elegant fan shape made of 24-carat gold-plated brass with a hand-coloured motif. Length adjustable from 40.5-46 cm. Pendant size 4 x 6 cm (h/w). With lobster clasp. Due to the stones used, each necklace has a unique piece character, therefore slight nuances in the finish are possible.
