

Lladró: Porcelain figure "Passionate Tango", hand-painted

€1,810.00

Product no.: IN-812365

Absolute dynamism - dance made of the finest porcelain: with the sculpture "Elegant Foxtrot", the Lladró modellers have taken on what is perhaps the most difficult genre of their art: the representation of dance made of silent, rigid fine porcelain.

The tango is more than just a dance. It emerged in Argentina and is regarded as the epitome of "emoción", a wild yet thoroughly subversive cultural performance. Lladró's dancers radiate everything that defines the tango: the strict rhythm, the erotic tension and the incredible elegance associated with this dance. Size 35.5 x 24 x 29 cm (h/w/d). Limited to 3,000 copies.
