

Garden object "Bowstring Hemp", small version

€390.00

Product no.: IN-942539

Tropical flair - succulents that look surprisingly real. Handcrafted from recycled metal (such as from old cisterns and signs) and coated seven times, this object impresses not only with its appearance but also with its outstanding quality.

Originally native to Africa, the bow hemp has long since won over domestic plant lovers as well. Small version. Size 40 x 35 cm (h/w). Weight 3.4 kg.
