Ulrich Perathoner:
Wooden Carved Saviour Nativity, hand-painted

€640.00

Product no.: IN-698704

The Original Heiland nativity was designed by master sculptor Ulrich Perathoner from Val Gardena and is produced in his workshops. Each individual element is carved by master hands and carefully hand-painted with light oil colours. Only precious sycamore maple woods that have been air-dried for years are used for the production. The woodcarvings captivate with their artisan quality and inimitable expression and style. Each nativity scene is shipped with a certificate of authenticity.

11-pcs ensemble. Figure size 12 cm. Total height 24 cm. Width incl. pedestal 30 cm, depth 20 cm.
