

Richard Senoner: Sculpture "Devotion", bronze

€3,900.00

Product no.: IN-908970

When designing his sculptures, Richard Senoner follows and focuses strongly on the real shapes of the human body: "My works are characterised by a detailed and precise elaboration," states the artist. And yet, his nudes are by no means idealising. Senoner does not depict the ideal-typical woman, but rather the "real" woman, whose unadulterated beauty appears very natural and, thus, very lively.
