

Michael Pickl: Sculpture "Woman", cast wood finish

€440.00

Product no.: IN-744059

Michael Pickl creates sculptures of entirely contemporary men and women as we might encounter them every day on the street, portraying them in moments of relaxation and happiness. No wood is too crooked for the artist not to create a human being, a very modern one at that.

Very fashion-conscious in a little black dress and long boots, his "wife" holds a bright red rose in her hand. Polymer cast in wood finish, partly painted by hand. Limited edition 299 copies, signed and numbered. Size 9 x 29.5 x 7.5 cm (w/h/d), weight approx. 900 g.
