€118.00

Product no.: IN-904041

Ahead of its time, Hilma af Klint's Altarpiece No. 1 (1915) captures the spirit of the post-war Mid Century. She creates a shawl of a modern zeitgeist through an arrangement of geometric shapes and a colour palette of red and blue. Made of 100% satin silk, hand-rolled hem. Size 170 x 33 cm (l/w).
