

Anna Mütz: Necklace "Salamander"

€128.00

Product no.: IN-790964

Sometimes elegant and discreet, sometimes colourful and eye-catching - the jewellery designer Anna Mütz creates imaginative jewellery creations in her workshop. The compositions made of pure natural materials combined with ceramic beads and Murano glass have a cheerful and spirited effect. Everything is handmade, resulting in slight variations in colour and shape - each piece is unique.

The sparkling appearance of a salamander made of glazed resin is the focus of this necklace, which is made of flexible rubber. Length 51 cm, salamander 9 x 4 cm.
