Glass vase "Mikado"

€428.00

Product no.: IN-890277

The fascinating material glass has inspired people for thousands of years. In the manufactory of the Glasfachschule Zwiesel, experienced master glassmakers produce high-quality articles of daily use and gifts. The basis for unique, high-quality products is 700 years of tradition, master craftsmanship, the glassmakers' many years of experience, professional pride and a great passion for glass. Here, traditional glassmaking techniques and contemporary design complement each other.
The glasses are either unique or produced in small quantities. The signature on the bottom identifies them as originals from the manufactory of the Glasfachschule Zwiesel. A work of art made of glass that will delight fans of exquisite home accessories.

Glass object "Mikado": Ø approx. 13 cm. Height approx. 28 cm. Weight 2.3 kg.
