

## Garden object "Bouquet of Roses", cast stone

**€98.00**

**Product no.: IN-748837**

It brings lush rose splendour to your garden - all year round because it is made of solid, weather-resistant sandstone casting. The fine floral work is purely handcrafted from the stone so that, as is usual with unique pieces, slight deviations in colour and surface structure may occur. Size approx. 18 x 23 x 18 cm (w/h/d), weight 6 kg.
