

Friedensreich Hundertwasser:
The Espresso Cup Collector's Edition incl. porcelain object "Sediment Tower"

€1,098.00

Product no.: IN-377282

Exclusively for ars mundi and in collaboration with ArtHouseVienna, this unique espresso cup collection with motifs from Hundertwasser's architectural work was elaborately manufactured at the Royal Privileged Porcelain Manufactory in Tettau.
The cups are 5 cm high and have a capacity of 0.09 l. The saucers measure 12.2 cm in diameter. Dishwasher safe. The unique feature of the Hundertwasser Espresso Cups Collector's Edition is the porcelain object "Sediment Tower" with removable onion tower, which offers space for a 500g vacuum aroma box for espresso coffee.
The "Sediment Tower" is a handmade and hand-painted manufacturing object. It was designed after the tower of the residential complex "The Forest Spiral of Darmstadt" in the Hessian art nouveau metropolis. It was completed in 2000. The "Sediment Tower" is limited to 1,999 copies.
