It is no surprise that the colourful, colour-changing chameleon fascinates artists like Bruni. He depicts it in his prints "Camaleonte" and "Più imparo a conoscere la gente più amo gli animali" ("The better I know people, the more I love animals"). ars mundi has exclusively brought the motifs onto fine bone china porcelain. A colourful start to the day. Capacity 0.36 l each, dishwasher safe. Signed ars mundi Exclusive Edition. Set of 2 mugs.
