Ancient beauty - Petra Waszak revives the forms and symbols of art history. The coral softly and warmly underlines the sublime shape of the pendant with the circular, gold-plated brass disc and the three pendants. The double-strand necklace makes the coral pendant (4 x 12 cm) seem to float. Made of gold-plated brass with coral. Necklace made of brass with 24-carat real gold plating. Adjustable length 40-46 cm.
