The most popular picture by Jan Vermeer is the portrait "Girl with a Pearl Earring", painted around 1665. Now, for the first time, the motif is available exclusively at ars mundi as a baroque table sculpture. Our sculptor's model accurately reproduces van Delft's original.

Sculptor's model after the oil painting from 1665. Size 17.5 x 16 x 12 cm (h/w/d). Edition made from cast.
