Bust "Head of the Ammonite", bronze version partially gold-plated

€2,480.00

Product no.: IN-876051

Becker's sculpture combines the beauty of the primaeval ammonite, coiled with mathematical precision, with the beautiful, regular features of a woman's face - a surreal-looking bust that could also originate from a mythology thousands of years old.

Edition in fine bronze with partial gilding. Cast using the Lost-Wax-Process, patinated and partially gold-plated. Limited edition of 99 copies, signed and numbered. Size incl. slide base 27 x 8.5 x 13.5 cm (w/h/d). Weight approx. 2.7 kg.
