

Petra Waszak: Egyptian Coral Necklace

€328.00

Product no.: IN-713100

As with Venus later in Rome, the coral was sacred in Egypt. It belonged to Isis, the goddess of fertility, whose descendants the Egyptian pharaohs ruled. They were considered to protect against disease, lightning and deformity.

Necklace made of red coral beads. The large pendant is decorated with coral combined with 24-carat gold-plated brass. Length adjustable 43-48 cm, pendant 6 x 6 cm.
