

Paul Wunderlich: "Double Candlestick", bronze

€5,800.00

Product no.: IN-306570

Wunderlich's candelabra sculpture picks up on the myth surrounding Orpheus. His endless love for Eurydice softened the hearts of the gods. He received permission to bring his beloved back from the underworld. But Orpheus was not allowed to turn around, otherwise, his beloved would sink back into the realm of shadows... The shape of the candelabra resembles a lyre, with Orpheus and Eurydice avoiding any eye contact.

Candelabra sculpture made of fine bronze, cast by hand using the Lost-Wax-Process. Patinated and polished by hand. Limited edition of 300 copies, numbered and signed. Catalogue raisonné no. 274. Height 59 cm. Width 22 cm. Weight 4.5 kg. Without candles.
