Marcus Beitelhoff:
Sculpture "Raven Professor", copper

€515.00

Product no.: IN-386123

They play mischievous tricks on the roof, on fences and walls. The cheeky ravens look particularly good on your gutter - as long as it is not made of zinc because copper and zinc are not compatible. Hand-forged sculpture made of pure copper. Each copy is an individually forged unique piece, signed by the artist and with a certificate. Size approx. 15 x 22 x 20 cm (w/h/d).
