€890.00

Product no.: IN-781277

Johann Baptist Lenz (1922-2007) was an internationally renowned sculptor and designer of sanctuaries and churches. In many of his secular works, he proved to be a tongue-in-cheek humourist, for example, with his sculpture "Der Amtsschimmel" in front of the district hall in Ahrweiler, Germany. And his "Horse Couple" makes it clear that he was also a great animalist.
