Product no.: IN-486258

"Hans in Luck" is the symbol of positive thinking: He makes the best out of every exchange, out of every situation and thus lives life with the utmost satisfaction. You, too, can enjoy only the best parts of life - with the sculpture by Jürgen Götze.

Puss in Boots, Hans in Luck, Baron Munchhausen... Since our childhood, when we heard fairy tales and stories for the first time, each of us has carried a precise image of these figures in our minds. That is also the case for artists, including sculptors. They create a sculptural item of your version of these childhood companions on our behalf. We cast the filigree models of their childhood images in a complex process - these sculpture models are available exclusively from ars mundi.

Sculpture in cast metal with a bronzed surface, signed by the artist. Size 10,5 x 18 x 10 cm (w/h/d). Weight 2,3 kg.
