

Siegfried Neuenhausen: Sculptural group "Sequence", bronze version

€2,580.00

Product no.: IN-307803

Siegfried Neuenhausen's "Sequence" is situated in the field of tension between "rising" and "sinking". The bronzes show an almost Kafka-typical situation: a retreat in instalments disguised as a flight forward. The group of figures can be given new meanings by changing the arrangement. Even small variations create significant mood changes.

4-pcs sculptural group made of fine bronze, cast by hand. Limited edition of 99 copies, numbered and signed. Size 10 x 5,5 / 10 x 9,5 / 10 x 13 / 10 x 21 cm (h/w). ars mundi Exclusive Edition.
