They originate from Uruguay and are among the most beautiful examples of folk art there. The effort that goes into these colourful ceramics is enormous. In a first step, the still soft cast base form is decorated with fine ornamental details. The first firing hardens it, then it is painted - again by hand - and decorative enamel glazes are applied. After further kiln cycles, gilding and platinum elements are finally applied - creating individual testimonies of the close connection between Latin American folk art and handicraft at the highest level. Each piece is unique.

The feathers of the silent huntress are transformed into elaborate ornaments. Colour settings and accents make the figurine a highlight of ceramic art. Owl and book are not connected. The figurine can be placed flexibly on the book or without the book. Size owl 14 x 11.5 x 10 cm (h/w/d). Size book 4 x 12.5 x 10.5 cm (h/w/d).
