Friedensreich Hundertwasser: Set of six mugs

€458.00

Product no.: IN-917148

The complete set is exclusively edited by ars mundi and produced at the Königlich privilegierte Porzellanmanufaktur Tettau. The motifs of the mugs were developed with the artist while he was still alive. The black background typical of Hundertwasser makes the colours of his motifs shine on the porcelain just like a rainbow. Real gold and silver set atmospheric highlights, crowning the Hundertwasser motifs of this exclusive edition.

Six cups in a set: twice fired in 16 colours at 1200° Celsius. Each cup with saucer, 0.21 litres. Dishwasher safe. The additionally designed sugar bowl and cream jug are available separately on request.
