**Product no.: IN-844556.R1**

The painter Monika Taffet infuses her landscapes creations with a unique atmosphere through relief-like structures: she applies the oil and acrylic paints in sometimes several centimetre thick layers, creating a three-dimensional picture surface on the canvas. Taffet blurs all the contours and details of the pictorial objects in this ocean of impasto paint application, similar to impressionist painting. The pictorial impression of colour, light and spatial depth makes Taffet's painting an exciting and, at the same time, sensual experience.

Original painting 2013, signed. Oil and acrylic on canvas, stretched on a stretcher frame. Framed in a white solid wood frame with shadow gap. Size 45 x 55 cm (h/w).
