

Petra Waszak: Necklace "Ginkgo", silver version

€129.00

Product no.: IN-913431

The ginkgo's unique split leaf and the fact that there are male and female trees have made the ginkgo a symbol of harmony and partnership for thousands of years. According to Asian philosophy, the slender upright growth form of the ginkgo represents yang and is equated with activity and vitality, while the leaves, due to their fan-like shape, represent yin, i.e. gentleness and softness.

Necklace made of 925 sterling silver. Size 4 x 4 cm. The chain is made of 3 thin silver-plated stainless steel chains. Adjustable length from 42-47 cm. Due to the elaborate production by hand, the pendants may vary slightly and have a unique character.
