Friedensreich Hundertwasser: 20-piece coffee service set

€828.00

Product no.: IN-885804

Hundertwasser's typical black background makes the colours of his motifs on the porcelain shine like a rainbow. Genuine gold and silver add atmospheric highlights. The tea plates, the creamer and the sugar bowl with their partly matt, partly glossy black elements make a noble appearance. The centre of the tea plates features a particularly typical Hundertwasser motif: a spiral with windows and raindrops, symbolising the natural interplay of humanity, heaven and earth. Together with the colourful collection cups, the sugar bowl and the milk jug, the tea plates harmoniously complete your artistic coffee table.

The service set consists of 6 cups with saucers, 6 tea plates, a creamer and a sugar bowl.

Made in the Königlich privilegierte Porzellanmanufaktur Tettau. Cup with saucer 0.21 litre, cake plate diameter 20 cm, creamer and sugar bowl 0.24 litre. Dishwasher safe.
