€890.00

Product no.: IN-941776

Exclusive ars mundi Anniversary Edition on the occasion of Otto Waalkes' 75th birthday.

Otto Waalkes is not only a comedian, singer and actor, he is also a gifted draughtsman and caricaturist (and incidentally a graduate of the Hochschule für bildende Künste in Hamburg). His best-known caricature is the Ottifant. Originally designed as the sign of his own record label "Rüssl Räckords", over time the pachyderm became more and more a trademark, indeed Otto's own drawn alter ego.

On the occasion of Otto's 75th birthday on 22.07.2023, we are pleased to be able to offer you an exclusive Anniversary Edition of his popular Ottifants, limited to only 980 copies worldwide. A little tip: Two of them would be recommended because this time his Ottifant is only really complete with its counterpart. Then these two reach out to kiss each other with their trunks erect and their lips pursed - an intimately turned towards each other, a simply adorable couple.

Sculpture in fine bronze, cast using the Lost-Wax-Process, chiselled by hand, polished and patinated. Limited edition of 980 copies, numbered, signed and hallmarked with the foundry and ars mundi stamp. With numbered certificate of authenticity and limitation. Size 12 x 7 x 11 cm (h/w/d). Weight approx. 0,9 kg. Exclusive ars mundi Anniversary Edition for the 75th birthday of Otto Waalkes.
