

SIME: Sculpture "Lovers" (2021), bronze

€2,280.00

Product no.: IN-933066

SIME's lovers show the duality in anatomical precision, without completely renouncing the abstract artistic form concept of modernism, because the artist at least hints at breaking down the rounded body forms into planes. The duality of the figures thus also leads to a unity of representation in terms of design.

Sculpture in bronze, cast using the Lost-Wax-Process, chiselled by hand, polished and patinated. Limited edition of 99 copies, numbered, monogrammed and hallmarked with the foundry and ars mundi stamp. With numbered certificate of authenticity and limitation. Size approx. 25 x 16 x 10 cm (h/w/d). Weight approx. 4 kg. ars mundi Exclusive Edition.
