

Necklace "Lagoon"

€98.00

Product no.: IN-941123

Most people find turquoise a pleasant, relaxing colour and associate it with holidays. In combination with the matt silver tone, turquoise looks particularly noble. The asymmetrical composition with the tapering silver-plated tombac tube and the magnificent Polaris bead on the four-row necklace is impressive. With extra strong matt silver-plated tombac magnetic clasp with tarnish protection. Length approx. 49.5 cm. The diameter of the bead is 2.7 cm.
