

Amedeo Modigliani: "Tête", 1911-12

€42.00

Product no.: IN-422631

He was the "Bohemian" par excellence. Modigliani knew no size and no limits and cared little for conventional doctrines. That is how he found his own and unmistakable style, which still seems modern today as it did 90 years ago...

Figure made of hand-painted, porcelain-like resin cast. Height 15.5 cm.
