

Jewellery set "Jupiter"

€768.00

Product no.: IN-892926

This sterling silver jewellery set is modelled after the appearance of the largest planet in our solar system. Individual gold-plated areas and citrine and moonstone form the characteristic cloud layer of Jupiter. The pendant of the necklace can also be worn as a brooch.

Necklace/brooch: chain length 46 cm. Pendant diameter 4 cm.

Stud earrings: diameter 2 cm each.

Bangle: length 15.5 cm.

The jewellery set includes a necklace and stud earrings.
