

Andreas Mussner: "Madonna of the Rose with Rose Niche"

€1,280.00

Product no.: IN-417640

In pure manual labour, the appropriate wood is carefully selected for each object, carved in superior quality and then hand-painted with great attention to detail. Delicate climbing roses climb up both sides of this magnificent niche that Andreas Mussner designed for his Madonna of the Rose. The niche is hand-carved in finest lime wood, elaborately painted and partly gilded. The height of the Madonna is 30 cm, size of the niche is 32 x 51 cm (w/h).
