"Actually, I depict feelings - that are often far too complex and multi-layered to put them into words," says the artist. And so she creates her colour-intensive landscapes of souls and feelings from inseparably interwoven seas of clouds in a mixed technique she developed herself.

Reproduced using the Fine Art Giclée process directly onto 100% cotton artist's canvas and stretched onto a stretcher frame for a brilliant, authentic reproduction. Limited edition of 199 copies, numbered on the back and signed by the artist. Size 115 x 100 cm.
