Christian Rohlf already impressed us with his drawing talent during the early years of his life. Flowers, whether as individual blossoms or as a bouquet arrangement, occupy an important place in Christian Rohlf's oeuvre. The artist captured their subtle colourfulness and delicate beauty on canvas and paper from the very beginning of his work.

High-quality fine art carbon print on heavy Hahnemühle handmade paper. Noble framing in black satin with Munich gold and bevel cut passe-partout, dustproof glazed. Numbered with certificate. Size approx. 52 x 64 cm (h/w).
