€11,800.00

Product no.: IN-874941

In his unique metal objects, David Gerstein blurs the boundaries between two-dimensional pictures and three-dimensional sculptures. The works fascinate with the play of light and shadow on different layers of materials. They are unique pieces that, with their cheerfulness and optimism, serve as small monuments to the individual in the modern urban space.

Three-dimensional wall sculpture made of hand-painted aluminium in three stacked layers. Limited edition 150 copies, numbered and signed. Size 72 x 120 cm (h/w).
