

Ceramic figurine "Sitting Cat", blue version

€178.00

Product no.: IN-891831

The effort that goes into these colourful ceramics is enormous. The basic form is finished with fine decorative details, which are then hardened in a first firing. Then it is painted - again by hand - and decorative enamel glazes are applied. After further kiln cycles, gilding and platinum elements are finally applied - creating individual testimonies of the close connection between Latin American folk art and handicraft at the highest level. Each piece is unique.

The cat is a symbol of freedom of will and thought. Enamel glaze partly gold-plated. Size 18 x 9.5 x 11 cm (h/w/d). Weight 0.65 kg. Blue version.
